We are soon launching a KICKSTARTER!

You can also purchase a Hardware Kit for our Marble Machines. It will come in handy if you do not want to source the parts yourself. While we ship the critical parts, you will 3D print the rest of the product.

You will also need to download a free interchangeable module on which the marbles roll down. Click here.

The rest of the modules are available on our website.

Sneak peek of the rest of our modules that fit on all of our marble machines:
